

National Park Service – Teacher-Ranger-Teacher Program

Mississippi National River and Recreation Area, Saint Paul, MN

Approval of the Principal

I support _____ (name of teacher) in participating in the Teacher-Ranger-Teacher Program of the National Park Service. I understand that an Intergovernmental Personnel Agreement between the School District and the National Park Service (NPS) is required. This agreement supports teachers working in National Parks during the summer as park rangers, while developing activities and resources that support the curricula of this school. I will allow this teacher to implement such activities in the classroom with my review and approval. I will also allow this teacher to participate in the April 2014 National Park Week. During that week, this teacher is allowed to wear the National Park Service uniform and give presentations about the summer experience in the parks to the student body of this school. With the support of NPS supplying substitute teachers, this teacher is allowed to visit other schools during National Park Week.
